

A mobile application interface for creating a new profile. The screen is framed by a black border representing the phone. At the top, there is a status bar with a small circle and a pill-shaped notch. Below this is a header bar with a hamburger menu icon, the text "novo perfil" followed by a dropdown arrow, a bell icon, and a three-dot menu icon. The main content area contains five text input fields labeled "nome", "username", "idade", "e-mail", and "senha". Below these is a section titled "tempo de leitura desejado" with three buttons: "10min", "30min" (which is highlighted in blue), and "1H+". At the bottom is a navigation bar with five icons: a heart, a graduation cap, a blue checkmark, a broken chain link, and a flag.
